Mrs. Alda E. Barr began her teaching career with a degree in Health and Physical Education from Slippery Rock State Teachers College and the University of Pittsburgh. Mrs. Barr decided to become a teacher because she always loved working with children. Out of her forty years of teaching, the last thirty-eight were spent at Southmoreland. According to Mrs. Barr, she has no regrets about becoming a teacher. She loves it, and she will miss teaching and all the fun that goes along with it. She spends most of her spare time bowling, babysitting, and collecting antiques. Mrs. Barr will long be remembered at SHS for her hard work and fair play.

Miss Elizabeth Shirer started her teaching career with a degree in Biology from Allegheny College. She has spent twenty-nine years within Southmoreland School District. She will long be remembered by all those she taught and pushed to do their best.

Under the coaching of Dennis Zieger and Harry Bowser the Scottie basketball team once again reached the playoffs for the sixth consecutive time. Despite the loss in the opening round against Aliquippa at Robert Morris College and the end of the "streak," the Scottie hoopers had an outstanding season. During the course of the season, the team won the Tyrone Pepsi Tournament over Christmas where Jim Dascani received the honor of most valuable player. Seventeen teams tried to break the "streak" which began on February 3, 1984. On January 10, 1989, the 43-game winning streak on the home court was broken by East Allegheny. Freshman Eric Roslonski canned a baseline jumper with five seconds remaining to lift the team over Mount Pleasant. Doug Dunlevy scored a three point shot at halftime to help win the game over Greensburg Central Catholic. Allen Dzambo led the team in scoring with 19.0 points per game, and he was selected by KDKA TV as their Blue Chipper player of the week on February 2, 1989. The Scottie fans screaming "Whoosh!" "B-O-R-I-N-G!" "Goggins, Goggins!"

SCOTTIES Dribble With Vitality And Play With Spirit

Long hard hours of practice paid off when the varsity girls basketball team had the best season ever. They won eleven games which was the most ever won by any girls team, and they placed third in the section. However, their playoff dreams were crushed when they lost to East Allegheny. During the course of the season, Lara Grubich's three point shots sparked the girls leading to runs which won games. Beth Lehman's acrobatics on the court provided excitement and enthusiasm for the other players and the fans. Amy Barber's presence of mind on defense helped stabilize the team and frustrate the opponents into mistakes. Wendy Covey controlled the offense and scored key baskets to spark the team. Anne Trout's rebounding ability provided many points and established their offense. It now seems hopeful that the ball will bounce much higher next year at SHS.

The wrestlers under head coach Dr. Micheal Polechko finished with a record of 11 and 7. During the season individual achievements were readily shown as Gary Barber and Chad Halsted finished first during the Mount Pleasant Invitational while Rob Zelmore placed third. During the Westmoreland County Coaches Association Tournament held January 20-21, 1989, Chad Halsted placed first, Gary Barber placed second, Randy VanDyke and Mark Stoner each placed sixth. Scottie grapplers finished third during the WPIAL Section 3 Tournament with Gary Barber and Chad Halsted taking first while Mark Stoner took second and Rick Myers and Ben Patton took third. Chad Halsted received the honor of Outstanding Wrestler with a record of 33-4. Chad also had the most pins, most 3 pt. near falls, and most 2 pt. near falls during the season. Mark Stoner and Gary Barber the most reversals and escapes.

Proud Members From Every Sport

Many students at Southmoreland excel in their given sport; however, they do not receive enough recognition; therefore, The Legend would like to put these athletes in the spotlight. Our hats go off to these students, and we wish them the best of luck in the future.

Who has been your greatest influence over the years?

R. Myers-Dan Gable (Wrestling Coach for the Olympics)
C. Robson-Coach Highlands
S.L. Davis-Coach Waller

How do you feel whenever the coach bawls you out?

M. Ferrell-I think it's funny because he always bawls me out.
J. Croushore-I have never been bawled out because the coach didn't have a clue to what my job was.

What is the first thing that comes to mind whenever the team is losing?

K. Beistel-Why take the starters out and put in the scrubs. We'll just lose worse.
K. Bennington-Boy could I go for a Genny now!
M. Massari-What I'm having for dinner.

What do you do with your dirty sneakers after the season?

V. Miller-I put them away in my closet for another season with a 'fragrance to remember'.
S. Cavanaugh-I do not have any sneakers, but I do have a skimpy suit that's good for washing dishes.

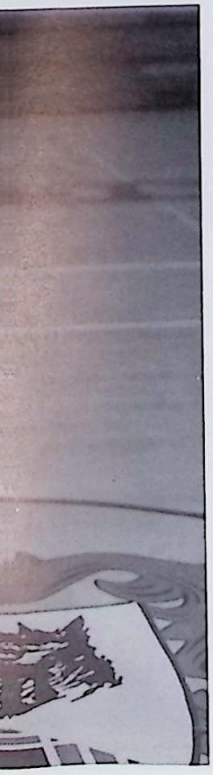
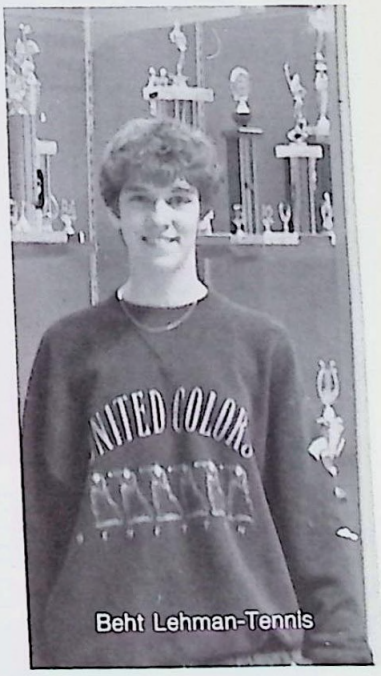
Brian Boyd-Tennis





Beht Lehman-Tennis

Have you ever broken any records?

M. Massari-I broke the National Anthem Record when I hit a foul ball.
B. Lehman-I broke the record for the most dives and brush burns during a season.

Have you ever wanted to hit an opponent after a game/match? Why?

S. Cramer-Another team's centerfielder ran her mouth too much so I wanted to knock her out.
B. Boyd-Some kid kept running into me in a soccer game. Afterwards he mouthed off, and if he wasn't 6'3 and 225 lbs., I would have hit him.

What was your most memorable event?

E. Roslonski-I made a shot with five seconds to give us a two-point lead and then went on to win the game.
K. Bennington-The day my mother beat me in basketball.

How does it feel whenever a boyfriend/girlfriend is watching and you make a fool of yourself?

K. Beistel-There is really no time to think about it. I try not to let it even come into my mind because that's when you make a mistake.
S. Cavanaugh-I feel like I want to drown and then have my body shredded and spread over The New Central Hotel.

Additional Comments:

M. Stoner-I wish we would have had a little more support from the fans because if it wouldn't have been for the cheerleaders we would not have the support we did. I think they deserve a lot of credit.
R. Smoker-I've been running since I could run and chew gum at the same time.

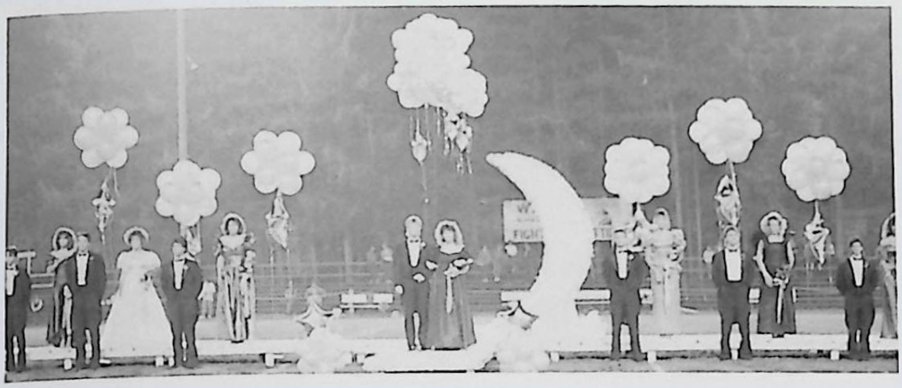
An Event Worth Looking Into

"The 1988-89 Homecoming Queen is . . . Miss Lori Ann Firmstone."



Friday September 23, 1988, for most people, this was just another ordinary night, but for seven girls this was to be a night they would never forget-the night on which one of them would be crowned the 1988-89 Homecoming Queen.

Their dreams began several weeks earlier when the senior class voted for seven girls who best qualified to represent the class of 1989. After two days of hope and anxiety the finalists were announced: Deanna Citro, Kendra Dusenbery, Lori Firmstone, Kristal Hutchinson, Carrie Katrinak, Kelly Sherbondy, and Sheri Siwula.

It was a beautiful night laced with an air of suspense and excitement as the crowd anticipated who would be the Homecoming Queen. The crowd and court anxiously awaited the halftime festivities as the Southmoreland Scotties battled it out with the Cannon McMillan Macs. As the Scottie Band filled the stadium with strains of "Fly Me To The Moon" and "Moon River" each member of the Court was majestically escorted and introduced. Tension mounted. Anxiety grew. The 1988-89 Homecoming Queen is . . . Miss Lori Ann Firmstone. The crowd shouted approval, and as tears of joy streamed down Lori's cheeks, she was crowned by last year's choice, Cassie Grippo.

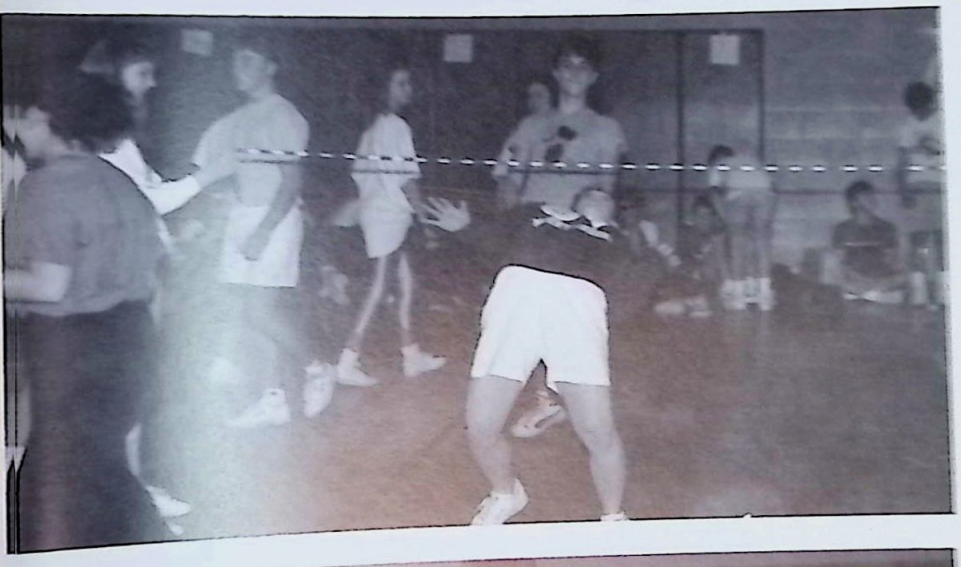
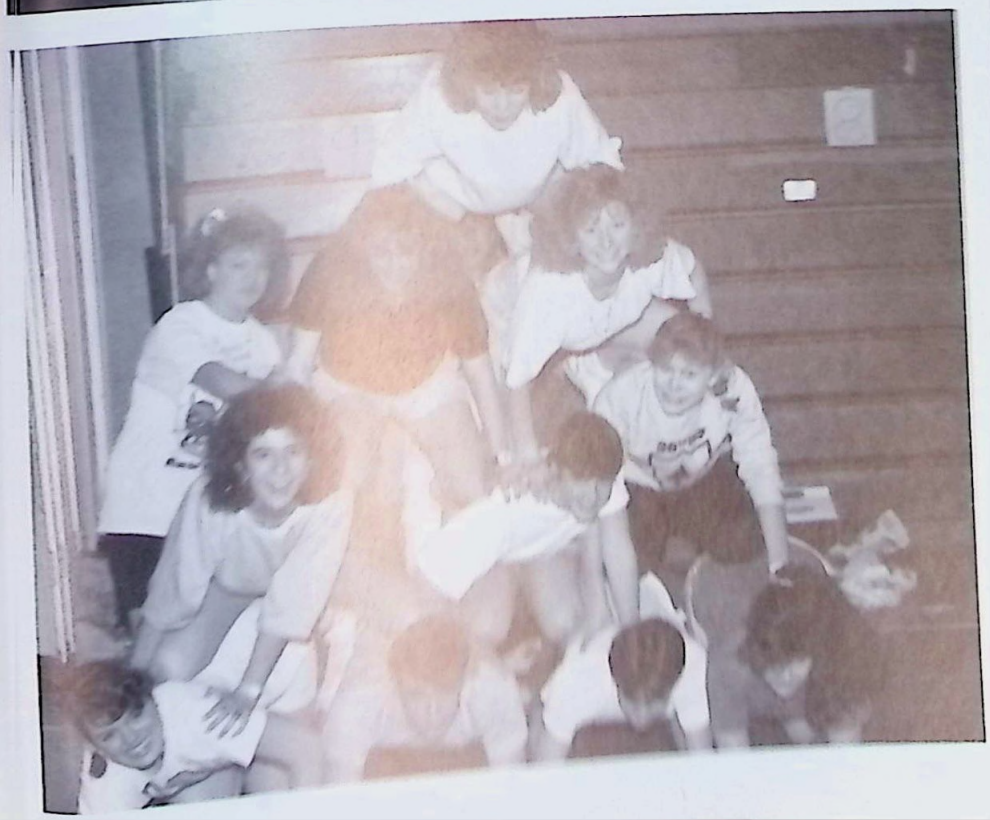
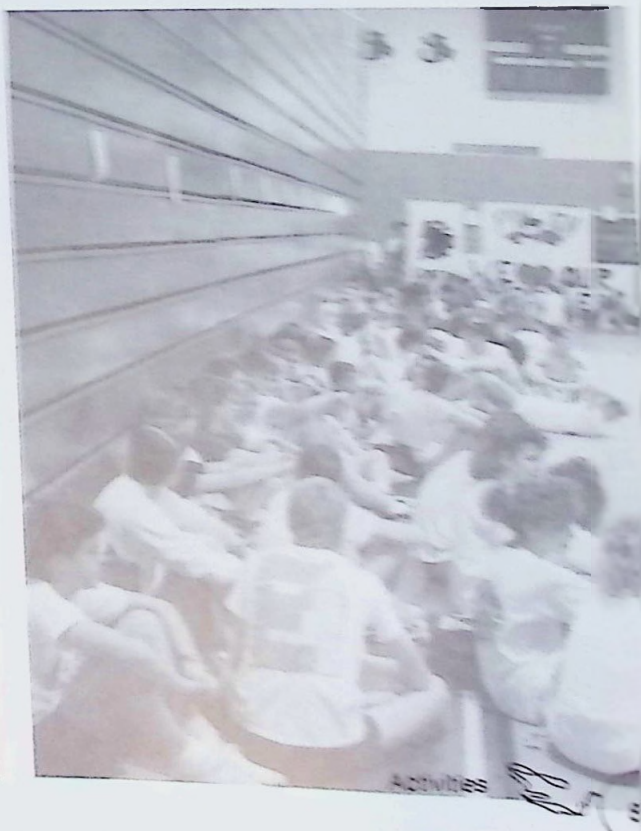
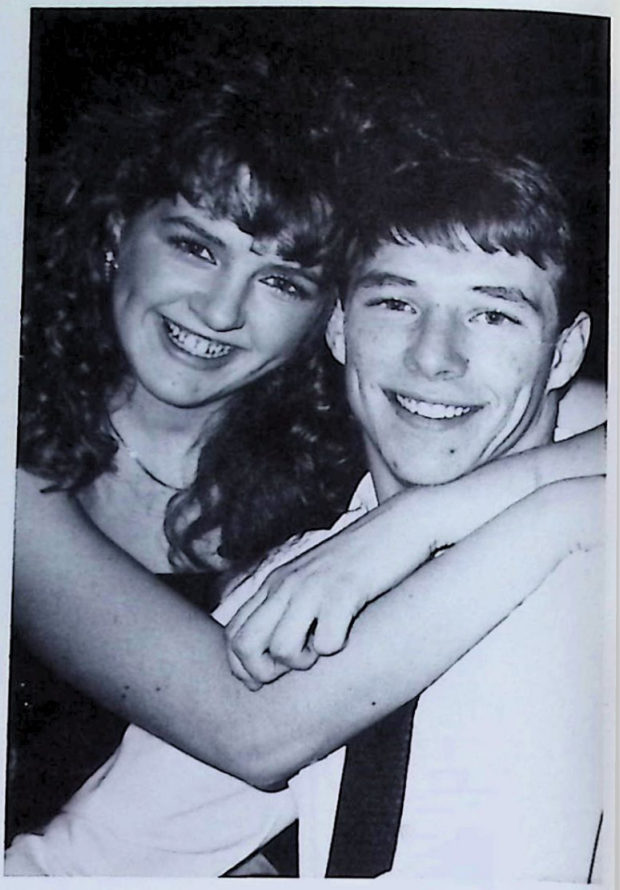
Once again the students of Southmoreland teamed up with the American Heart Association to raise money for America's hearts. Over 360 students participated in the one day event on December 22, 1988. Over $6,000 was raised. Way to go guys!

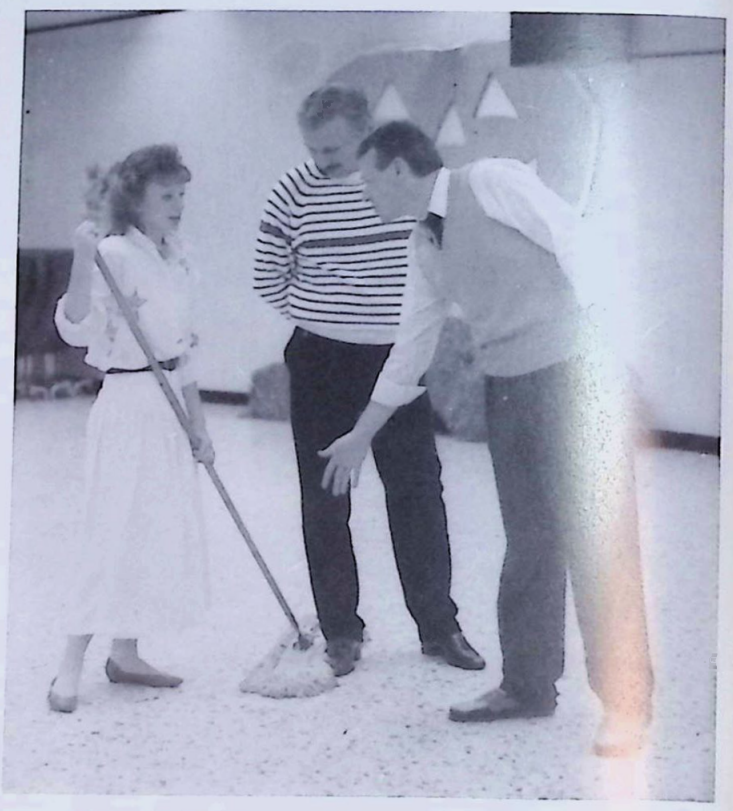


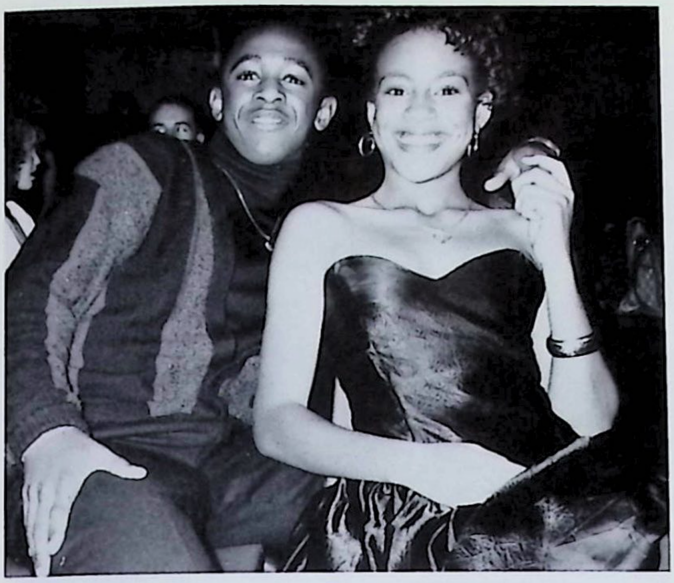


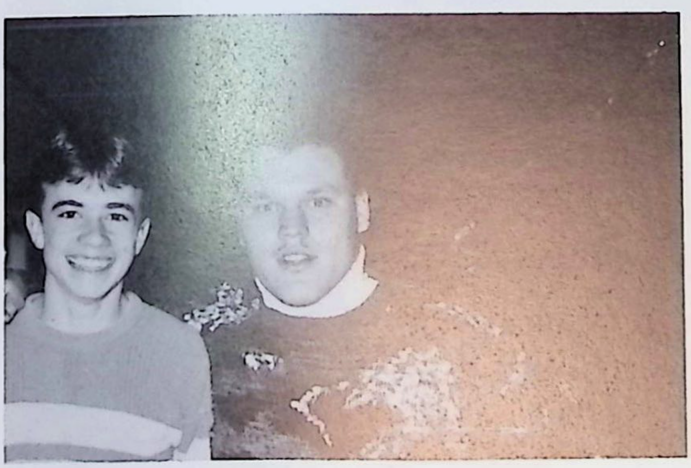


DISCO S.H.S.









These candids are of students attending both the Fall Sadie Hawkin's Dance and the Christmas Dance. Student Council sponsored the first dance of the 1988-89 year, encouraging the student body to put on their country bumpkin leisure wear and kick up their heels. The Class of 1991 sponsored the winter semi-formal. Taking the initiative, the sophomores went all out for this holiday gala.

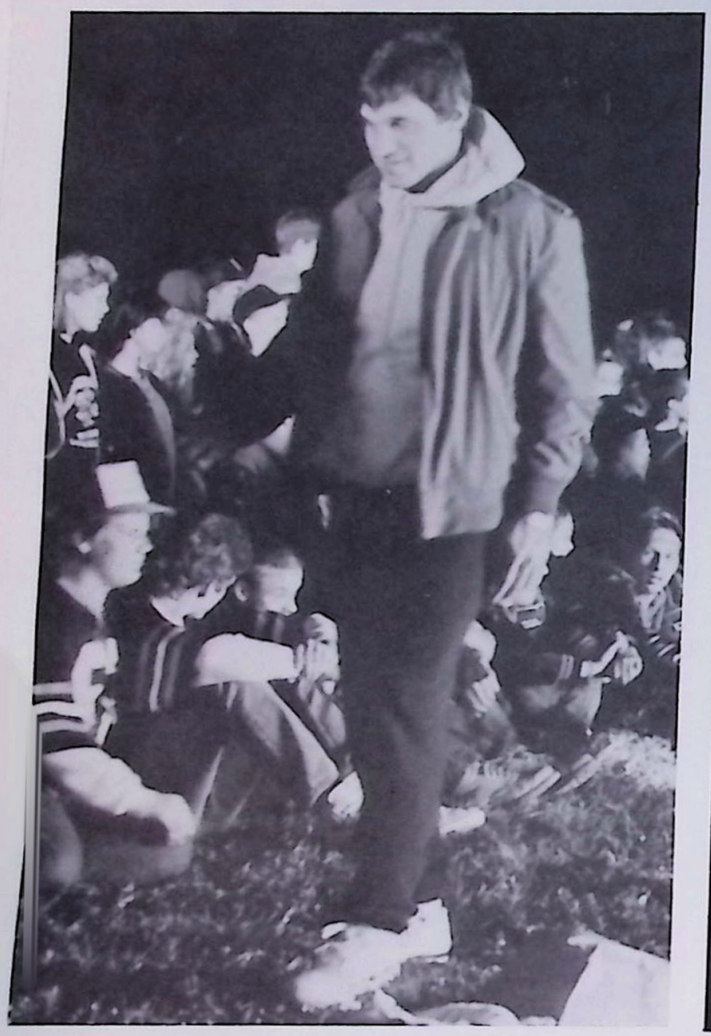
ALL FIRED UP!



The Southmoreland Scottie Cheerleaders sponsored "Spirit Week" during October. The week began as the clocks were turned back to the 70's. Students were dressed as flower children, hippies, and were wearing peace symbols. Tuesday the clocks extended further back in time to the 50's. Poodle skirts, saddle shoes, and lettermen's sweaters were some of the many sights to be seen. Wednesday students showed support for their favorite athletic team by wearing a jersey on Jersey Day. Thursday was Hat and Button Day. Hats of many shapes and sizes along with buttons were seen in the halls of SHS. Later that evening, a bonfire was held for the Scottdale community to show their support for the Scots. The week ended with Red and Black Day and a big pep rally outside the front of the school in which the spirit, built up over the week, broke loose and rocked the walls of SHS.

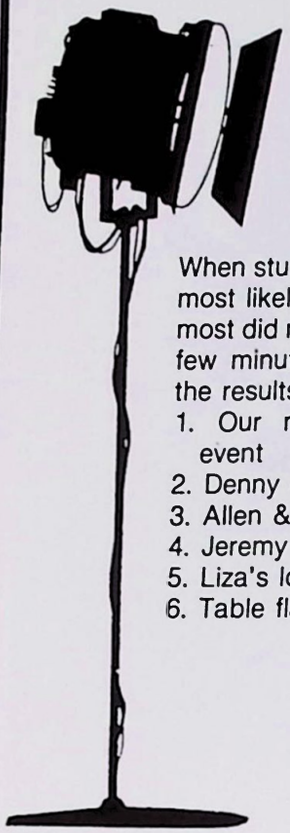
What do you think about the senior egg project?

1. It's an eggcellent idea if people do not take it as a yoke.
2. Waste of nutritious food.
3. If people want to carry around little chickens let them do it on a farm.
4. I bet the chickens are mad.
5. It is kind of stupid, I dropped it and made an omelet out of it.
6. It was a really cute idea but I hope that someday when I have children, they don't look like that.
7. It was very stupid because there is a very big difference between an egg and a baby.
8. Mrs Mowry made a fortune selling eggs.
9. It makes me hungry for scrambled eggs.
10. I thought it was really eg g-citing. Having an egg as a son is an egg-spence. I really had to scramble for funds, but I had to look on the sunnyside or I would crack up.



When students were asked who would most likely be seen on a Soap Opera most did not know what to say. After a few minutes of deliberation here are the results:

2. Denny & Kelly

4. Jeremy & Lori
5. Liza's love life
6. Table flambe

Begin your future at WCCC

At the community college you can prepare for your first career or start earning credits toward a bachelor's degree.

In two years or less you can earn an associate degree, a diploma or certificate in one of 25 different areas - liberal arts, computer science, engineering technology, allied health and business, to name a few. Our career counselors can help you choose a field that's right for you.

And best of all, we have the lowest tuition in the state - only $39 per credit for Westmoreland County residents. A quality education doesn't have to be expensive.

And, WCCC is close to home. Classes are conducted at the main campus in Youngwood.

So, take the first step toward your future and call our Admissions Office for more information - 925-4062.

Westmoreland County Community College

What was your experience on a blind date or a first date?

1. We went four wheeling. The truck broke down and we had to walk four miles down a mountain in 20 degree weather.
2. It was all right, but I had mono at the time.
3. The guy was married. He didn't tell me, but someone else did. So I told him off.
4. It turned out great. I met my boyfriend and we're still together.
5. Getting stuck with a really great guy who ended up being a wimp.
6. It would have been more fun at a dentist's convention.

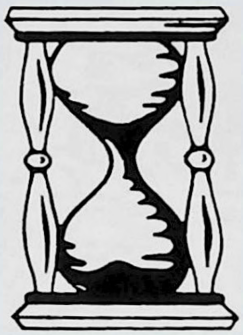
How do you keep from being bored in class? Well S.H.S. students have various ways of passing their time. Here are a few suggestions:



-Imagine your teacher has nothing on
-Pick your nose
-Sing songs to yourself
-Play tiddly winks
-Start a paper fight
-Slobber over a student teacher
AND IF ALL ELSE FAILS
-SLEEP!

Most students were not "man" enough to let us know what their most embarrassing moment is. But these are those "brave" enough to put themselves in the spot light. See if you know who they are.

1. Getting thrown into Mr. Yartin's sink and taking a bath.
2. My dad said "Hi" to Mr. Heckman.
3. Gastrical Extraction in English Class.
4. During a soccer game, I ran into the goal post.
5. I fell into the wishing fountain at the mall.
6. When I fell going up the bleachers at a wrestling match.
7. I entered the wrong restroom.
8. When I had gum on my nose.
9. Doing Yoga in World Cultures.
10. Walking into the wrong class in front of cute SENIORS.

There are many things that go on behind the doors of S.H.S. Some people know about them and others don't. They are called school traditions. Defined this means things that have been adopted over the years. We've discovered these school traditions that have been adopted:

YAWA talent show
Homecoming
Pizza every Friday (cheeseburgers Mon-Thurs)
Class day
Student of the month
Giving freshmen elevator passes
Skip day
X-mas music between classes
Awards day

Class Of 1989

Once again it is that time of year to say good-bye. Although many of us may never again lay eyes upon SHS because of our pursuit of our own personal goals and dreams, our years here will linger in our minds forever as a treasury of memories. We sincerely hope that the 1989 Legend will always serve in helping us relive and cherish those memories we hold so dear in our hearts.

Many people have combined sacrifice, cooperation, and a willingness to work to produce The Legend, and we would like to mention as well as commend them for their outstanding job. The following people have all contributed in making the dream of this book a reality: Mrs. Dawn Sherwood and Mrs. Susan Kiren, our devoted advisors whose inspiration and encouragement has carried us through the year; Mr. James Jackson, our representative from Jostens who always had the answers to our problems; Gray Studio, for their excellent photography; the administration and faculty for their endless patience and consideration during picture taking; The Independent Observer for coverage of school events; the student body and patrons because without them we wouldn't have the money to publish the book; the businesses for their cooperation while we took pictures; and the entire staff for making this book the best ever. Thanks to all.
